

I'LL NEVER LOVE AGAIN

Wish I could, I could've said goodbye
I would've said what I wanted to
Maybe even cried for you
If I knew it would be the last time
I would've broke my heart in two
Tryna save a part of you

Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
No other name fallin' off my lips
Don't wanna give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love again
I'll never love again, oh, oh, oh, oh

When we first met
I never thought that I would fall
I never thought that I'd find myself
Lying in your arms, mm, mm
And I wanna pretend that it's not true
Oh, baby, that you're gone
'Cause my world keeps turnin', and turnin', and turnin'
And I'm not movin' on

Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
No other name fallin' off my lips
Don't wanna give my heart away
To another stranger
Or let another day begin
Won't even let the sunlight in
No, I'll never love

I don't wanna know this feelin'
Unless it's you and me
I don't wanna waste a moment, ooh
And I don't wanna give somebody else the better part of me
I would rather wait for you, ooh

Don't wanna feel another touch
Don't wanna start another fire
Don't wanna know another kiss
Baby, unless they are your lips

Don't wanna give my heart away
To another stranger
Don't let another day begin
Won't let the sunlight in
Oh, I'll never love again
Never love again
Never love again
Oh, I'll never love again
